MG

A full-page background image of a male mechanic with a beard, wearing a blue jumpsuit and black gloves, working on a car. The car is elevated on a lift, and the mechanic is using a red-handled tool to inspect the underside. The setting is a professional garage with various tools and equipment visible in the background.

HISTORY
OUR COMPANY

History

CV. Multigracindo is a garment company, founded in April 2005 when the economic crisis has begun to recover. Multi Gracindo's business activities are growing rapidly by increasing market and consumer confidence in quality with competitive prices offered. Since 2005 we engage in the retail business with production in the form of T-Shirts,

Polo shirts, uniforms and jeans supplied to shops. After standing as company in the form of CV Multi Gracindo continue its role as a company reliable and quality garment, by positioning itself as a coverall/wearpack specialist, Traveling Shirts and Uniforms that have collaborated with several large companies.

A person wearing grey coveralls is shown from the waist down, holding a large wrench with both hands. The background is dark and out of focus. The text 'Multigracindo' is in the top left, and 'OUR CLIENTS AND PARTNER' is in the bottom right.

A close-up photograph of a person's hands, wearing a brown leather watch, selecting a small, light-colored button from a fabric sample book. The book is open, showing various fabric swatches in shades of blue, grey, and white. The person is wearing a dark suit jacket and a light-colored shirt. The background is blurred, focusing attention on the hands and the fabric samples.
